Volunteer Opportunities

VOLUNTEER

Holiday volunteer opportunity

The Lifehouse holiday party on Dec. 10 is for members of its community who are without friends or family close by. This event is led by volunteers. The party is an opportunity for families and community organizations to volunteer to serve others during the holidays. Volunteers are needed for set-up, registration, food service and clean-up. The volunteer times are between 4 and 8 p.m. at the San Rafael Community Center, 618 B St., San Rafael. For information or sign up, contact Erin Bertulfo at ebertulfo@lifehouseagency.org or by calling (415) 526-5305.

Helping the critters

WildCare's support volunteers help with one-time and ongoing projects such as computer support, data entry, event planning and staffing, and general maintenance. Support volunteers can also help WildCare by lending their professional skills to areas such as fundraising and photography. There are also volunteer opportunities with longer time commitments at the Wildlife Hospital and in nature education programs. To find out which volunteer opportunity works best for you, visit discoverwildcare.org/volunteer-opportunities.

Bell-ringers needed

The Salvation Army Red Kettle Bell Ringing Program is a tradition which provides the opportunity to meet the public and support The Salvation Army in a unique way. The Red Kettle Campaign is one of the primary fundraising efforts of The Salvation Army. By volunteering to be a Bell-Ringer you are helping to raise the much needed funds to support The Salvation Army services and programs throughout the year. Go to volunteer.usawest.org/OpportunityDetail.aspx?ID=3506 to sign up to volunteer at a location in Marin County.
